

SCHOOL DISTRICT NO. 48 (SEA TO SKY)

POLICY SERIES 200 - BOARD OF EDUCATION

200 GUIDING PRINCIPLES FOR THE BOARD OF EDUCATION

200.3 Evaluation of the Board of Education

The Board of Education, School District No. 48 (Sea to Sky) believes that the Board of Education should have their job performance evaluated on a regular basis.

The objectives of the evaluation are:

1. Accountability to the district and the public in ensuring that the Board of Education meet the statutory requirements as specified in the *School Act* and that the roles and responsibilities in the district as specified by the Board are carried out in a satisfactory manner.
2. Personal professional growth and development based on information from the Board, administrative staff, district employee groups and other educational partners in the district.
3. Constructive and effective working relationship in maintaining productive communication with the staff and each other.

The specific requirements for the evaluation of the Board of Education are specified in the Regulation accompanying this Policy.
