

SCHOOL DISTRICT NO. 48 (HOWE SOUND)

POLICY SERIES 600 - EDUCATIONAL PROGRAM

602	PROGRAMS OF INSTRUCTION
602.8	Non-Sexist Instruction

The Board of School Trustees, School District No. 48 (Howe Sound), believes that there should be a non-sexist environment in all courses, programs and learning resources for students. A non-sexist environment is one in which students of both genders have access to all courses and programs and in which there is no discrimination against females and males by portraying them in stereotyped roles or by omitting their contributions to particular curricular areas.

Whenever there is a complaint received about an expression of sexism in treatment of students with access to courses or programs, it should be referred to Bylaw 500.1, Student Appeals Procedure and in learning resources, it should be referred to Policy No. 604.1, Challenged Materials.
