

SCHOOL DISTRICT NO. 48 (SEA TO SKY)

POLICY SERIES 600 - EDUCATIONAL PROGRAM

603	INSTRUCTIONAL ARRANGEMENTS
603.2	School Field Trips

The Board of Education, School District No. 48 (Sea to Sky), recognizes that curricular field trips and activities are an important component of the educational program and supports the provision of such opportunities for students.

The Board of Education has adopted the principles of the YouthSafe Outdoor Program for our District. School Principals are responsible for ensuring that the requirements of Board policies and the principles of the YouthSafe program are followed, appropriate staff at their school are aware of the program and that the guidelines of this program are adhered to when planning and undertaking field trips.

The Regulation and Procedures accompanying this Policy provide more specific guidelines regarding field trips.
