

SCHOOL DISTRICT NO. 48 (SEA TO SKY)

REGULATION SERIES 200 - BOARD OF EDUCATION

R 203

PROCEDURES OF OPERATION

R 203.1

Formulation and Evaluation of Regulation

The Board, while recognizing its ultimate responsibility and authority to determine District policies, also recognizes the need to provide opportunities for input and influence on the policy development process to those individuals and groups interested in, or affected by, the particular policy area.

The Superintendent and/or Secretary-Treasurer will circulate the proposed policy to stakeholder groups affected by the new or changed policy for feedback prior to final adoption by the Board. The Policy Impact Form will be used to distribute the proposed policy and request feedback.

Adopted: March 12,2003
