

SCHOOL DISTRICT NO. 48 (SEA TO SKY)

REGULATION SERIES 400 - STAFF PERSONNEL

R 405 EMPLOYMENT CONDITIONS
R 405.7 Communicable Diseases

This Regulation supports the Policy with respect to employees regarding communicable diseases.

1. The recommendation of the School Medical Health Officer is the basis for the Board's decision as to whether an employee is removed from, or refused admission to work.
2. For specific Communicable Diseases such as AIDS or Hepatitis B, procedures addressing the reporting of suspected cases; the creation of appropriate educational settings; the protection of staff and students; and the confidentiality of personnel and records are included in the Administrative Procedures.
