School District Receives Excellent Response to 2010 Parent Survey

Howe Sound School District's 2010 Committee announced today that it received an excellent response to an opinion survey it conducted to find out what parents think about the possible closure of District schools during the 2010 Winter Olympics.

School Trustee Andrée Janyk, chair of the District's 2010 committee said it received over 600 completed questionnaires, which will be analyzed during July. "The Board of School Trustees will meet in August to review the results and to consider the options which are most consistent with the expressed wishes of all concerned, the parent survey being one source of information," Ms. Janyk said. "The options being considered will be reported to all parents and other stakeholders in September with opportunities for further feedback before the Board makes its final decision in late October."
