ACTION ITEMS

ACTION ITEMS (Continued)

B. Discussion of Enrolment Decline in Elementary Schools

Included with the agenda for Board information was a spreadsheet detailing elementary pupil headcounts from 1999 to 2007. This allows us to look at the trends and see a significant decline in enrollment in the district. The largest drops are in our Squamish school.

C. Letter to the Ministry of Education regarding Funding

Board Chair Dave Walden presented the idea of sending a letter to the Minister of Education describing our shortage of funds in the District. Trustees also brought up the question of the cost of the carbon tax for the district. In addition comments were made to highlight our specific district concerns, such as in custodial areas and how much it costs to maintain our schools.

“THAT we send a one page letter to the Minister of "Education regarding our budget shortfalls.”

- The Board decided to send a copy of the letter to our MLA to show her what we've had to cut because of our lack of funding. They also decided to invite her to the Finance meeting on April 16th to actually see how we have to cut our budget.
- The Board also wish to send a copy of the letter to our Education Critic on the Official Opposition.
- The comment was made that we are at a point where we have to make cuts in the budget and reduce service levels and it is putting a bigger load on staff.
- Custodians will struggle with classroom cleanliness. The Board would like to point out to the Minister that we are burning out people and it is especially hard to recruit management positions today.

“THAT the letter be copied to our MLA, BCSTA, other school districts, local partner groups, and the Education Critic on the Official Opposition.”

TRUSTEE ITEMS

Board Chair reported that he and two other trustees attended the general annual meeting this past week. Directors were elected and posted on the BCSTA website. A highlight was the presentation by Dr. Mary Delagardelle. She discussed the five roles of a school board and the seven areas of performance of a good school board.

“THAT we recommend to BCSTA that they bring back Dr. Mary Delagardelle to speak at a future BCSTA meeting.”
