MESSAGE FROM THE CHAIRPERSON

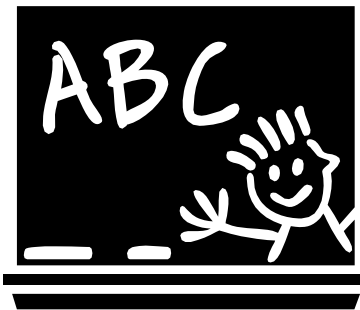

On behalf of the Sea to Sky Board of Education, I would like to extend a very warm welcome to our students, their families, and staff members to the 2010/2011 school year.

Sea to Sky Board of Education is committed to providing the best educational opportunities possible for our students. Our strong desire is to give every student the opportunity to achieve his or her personal best. As we work towards this end, we urge parents and guardians to make this their objective also. We urge you to become involved. Get to know your children's teachers. Monitor your children's progress on a regular basis. Let your children know that you value education. The evidence that parental involvement in their children's education is a major component of student success is very significant. Let us all work together to help our students achieve to their highest potential.

Best wishes for an exciting and successful school year!

Rick Price, Chairperson
