

Welcome to Pemberton Secondary!

What are Middle Schoolers?

*What are middle schoolers?
I was asked one day.
I knew what they were,
But what should I say?*

*They are noise and confusion.
They are silence that is deep.
They are sunshine and laughter.
Or clouds that will weep.*

*They are swift as arrows.
They are wasters of time.
They want to be rich,
But cannot save a dime.*

*They are rude and nasty.
They are as polite as can be.
They want parental guidance,
But fight to be free.*

*They are aggressive and bossy.
They are timid and shy.
They know all the answers,
But still will ask "why".*

*They are awkward and clumsy.
They are graceful and poised.
They are ever changing,
But do not be annoyed.*

*What are middle schoolers?
I was asked one day.
They are the future unfolding,
Do not stand in the way.
